Sixty Clicks Shiraz Mataro, Victoria 2023

Boutinot Australia

— Victoria, Australia

Sixty Clicks is a concept. Normally Boutinot's wines come from mountains or oceans but Central Victoria is a flat, featureless plain. All we have to describe the place is vines in time and distance. Sixty clicks in a minute, an hour, frames per second in film, and sixty kms from one side of this farm to the other.

Production

The Shiraz and Mataro grapes used in this blend come from the flatter parts of the vineyard in north-west Victoria. The vineyards run from east to west ensuring they gain the maximum amount of sunlight to give the grapes all the development they need on the red sandy loam soils with clay sub-soil. Grapes are harvested by machine at night, arriving at the winery to be crushed within the hour and pressed by bag and then moved to the fermentation tanks, where they spend 4 weeks with oak staves, on their skins and pumped over four times a day. The final blending of the Shiraz and Mataro wines are done under strict supervision of the head winemaker, before being transported to the bottling facility.

Tasting note

A really expressive, bright, contemporary Aussie red. The nose of soft, open, chocolatey fruit has a clove note with a palate of fresh brambly, cherry-red fruit that leads to a gently spicy finish.

Food Match

Great with a BBQ in the summer, comforting meat casseroles in the winter, or just a great all-rounder in between.
