Italian Plastic Super Glou 2024

ABD9602024

Italian Plastic

— South Australia, Australia

The lazy layman's elixir coaxing out a glug at full gallop. A quick fix to affix the lips to a rowdy palate starter. Adhering to nothing, but sticking to us all. Hold the applause, SUPER GLOU will take its bow to the sound of smacked lips. So versatile, so glugable, very chill.

Production

Malbec, Arneis and Carignan were vinified separately. Picked in the morning. Destemmed and whole bunches. Fermented on skins for 7 days. Pressed gently. Aged in old barrels and steel.

Tasting note

So versatile, so glugable, very chill. blackcurrant, cherries and amaro on the nose, forest berries, plums and cola in the mouth.
