Italian Plastic Golden [Orange Wine] 2024

ABD9652024

Italian Plastic

— South Australia, Australia

An orange wine that hits the sweet (er, savoury) spot between exotic wonder and dusty moreishness. Named after its golden colour.

Production

Picked in the morning. Fermented on skins for 10 days. The Semillon, Muscat and Pinot Gris are vinified separately then blended together. Half the wines is aged in old barrels and the other half aged in steel before spending 5 months in bottle.

Tasting note

With up-front aromatics and florals, it starts out all skinsy and tropical with notes of apricot, tangerine and cut grass. A fruit salad tropical lift from the Muscat with some texture from the Semillon. Refreshingly dry on the end for an easy-drinking finish. Textural and interesting, fun and chewy.

Food Match

ABV:
13.50%
