Bononia Estate

— Danubian Plain, Bulgaria

Gamza is the Bulgarian name for Kadarka - a thin skinned difficult to grow grape that when carefully handled is capable of producing pale coloured chillable crunchy red wines such as this.

Production

The Gamza and Cabernet Franc grapes are sourced from a single vineyard in North West Bulgaria on the shore of the Danube River, at just 35-50 metres, where the climate is temperate continental. Fermentation and maceration take place is stainless steel at controlled temperatures.

Tasting note

An attractive pale ruby colour, this wine has notes of fresh red plum, cranberry, crunchy redcurrant with attractive fresh herbal notes. On the medium-bodied palate there is good fresh acidity, smooth tannins and berry fruit notes with the Cabernet Franc lending a lovely leafy quality.

Food Match

A good match for dishes with tomato and paprika such as Goulash, or spicy Asian foods.
