# Pyren Vineyard Earthscape Shiraz, Pyrenees, Victoria 2021

**APY0052021**

*Pyren Vineyard*

*— Victoria, Australia*

A really lovely expression with all the iron soils of the Pyrenees shining through in this bloody, headily-scented wine.

## Production

The Earthscape label is named according to the lie of the land on which Pyren is planted, from the soil structure in its quartz laden mass, to the rolling valleys, and skyward facing peaks. 5% whole bunch, wild yeast fermentation, rested in seasoned 300L and 500L old French Oak for over 12 months.

## Tasting note

Cherry plum flavours with smoked cedar and mint top notes, but as it breathes it gets meatier, juicier and more complex, with roasted nut and woodsy spice notes in the mix too. It's in a good place now, but it's on its way to somewhere better.

## Food Match

Think BBQ, steak, burgers, grilled aubergine.

ABV:
14.00%

Case/Bottle Size:
6x 75cl

Closure:
