Selon Létang Cinsault, Vin de France 2023

FPB95382023

Maison Boutinot

— Languedoc, France

We've used Cinsault from Oc for many years, and have been so happy with it as a blending tool that we decided to give it a chance to show the world what its made of. This is characteristically fragrant, fine-boned and croquant, meaning crunchy".

Production

A range of wines that express the character of their grape varieties in Guillaume's preferred style, hence 'Selon Létang' (according to our winemaker Guillaume Létang).

Tasting note

This 'croquant' Cinsault is bright and deliciously enjoyable. Unoaked, vibrant redcurrant and raspberry fruit with a wild, delicately tannic herbaceous edge.

Food Match

Delicious slightly chilled, this Cinsault's bright, earthy notes and acidity marries beautifully with Asian duck dishes, beef or game.

ABV:
13.00%

Case/Bottle Size:
6x 75cl

Closure:
