Project B Sauvignon Blanc, Okanagan Valley 2020

BCA0012020

2022 Vintage

Boutinot Canada

— Okanagan Valley, Canada

IWC Bronze 2023

Project ‘B’, a Sauvignon Blanc from a premium single vineyard in the Okanagan Valley, is a winemaking partnership between two worlds, Old and New, creating a classically French, New World wine.

Production

This Sauvignon Blanc comes from a premium single vineyard located in Oliver, in the south end of the Okanagan Valley. A small portion of the blend is barrelaged Semillon also from Oliver. Michael Bartier and Eric Monnin set out to create wines that are Boutinot France in style, but honouring and respecting the land, viticulture, climate and vineyard sites of the Okanagan Valley. This cuvée Sauvignon Blanc is sourced from a premium single vineyard. For a little extra magic it is blended with a thimble of barrel-aged Semillon for texture and finesse.

Tasting note

Classically Sauvignon Blanc, refreshing and crisp, showing tropical aromas with pineapple husk and rainwater soft on the palate. A good balance of citrus and minerality on the lengthy finish, showing both restraint and opulence.

Food Match

A good match for dishes with tomato and paprika such as Goulash, or spicy Asian foods.

ABV:
12.50%

Case/Bottle Size:
12x 75cl

Closure:
Screwcap

Appellation:
PGI Danube Plain

Winemaker:
Stefan Pirev

Grape Varieties:
Semillon 3% Sauvignon Blanc 97%

Suitable for:
No

Allergen Info:
Contains Sulphites and No Other Allergens

Bottle Barcode:
62805514757
