Weingut Seehof Sauvignon Blanc, Qualitätswein Gutswein 2023

GWS0052023

Weingut Seehof

— Rheinhessen, Germany

Florian Fauth of Weingut Seehof in Westhofen makes sensationally fine, properly exciting wines.

Production

60% of the wine was harvested early and the other 40% fully ripe

Tasting note

Super expressive and clearly Sauvignon but in a style all of its own... There's a real 'young nettles... good enough to eat' sort of feel here and without doubt it also smells quite distinctly of cashflow!

Food Match

Prawn and lemon risotto
