Pyren Vineyard Earthscape Sparkling Shiraz, Pyrenees, Victoria 2021

APY0102021

Pyren Vineyard

— Victoria, Australia

A traditionally-made sparkling Shiraz under crown cap. The darkly intriguing label is suggestive of the wine inside, which is black, benthic stuff complete with fine bead.

Production

The Earthscape label is named according to the lie of the land on which Pyren is planted, from the soil structure in its quartz laden mass, to the rolling valleys, and skyward facing peaks. Harvested from the most elevated block at Pyren, handpicked then fermented in open vessels with a high proportion of whole berry fruit. Made with the traditional method. 30% new French & Hungarian oak for 4 months then 10 months in bottle post triage prior to disgorgement.

Tasting note

This Traditional Method Sparkling Shiraz brings with it, cherry and raspberry, dusted with clove and black pepper. Powdered cocoa, burnt orange and cedar round out the equation with lovely soft tannin.

Food Match

Glazed ham, roast lamb and dark chocolate. It's also an excellent match for chinese duck or BBQ ribs.

ABV:
14.00%

Case/Bottle Size:
6x 75cl

Closure:
Please Select

Wine Type:
Sparkling

Category:
Sustainable

Appellation:
Pyrenees
