Novas Gran Reserva Viognier, DO Valle Casablanca [Organic] 2022

CHV6632022

Emiliana

— D.O. Valle Casablanc, Chile

Exotic, lush Viognier from cool climate Casablanca.

Production

Soils are made up of decomposed granite originating from the Coastal Mountain Range. The grapes are harvested during the night to take advantage of the lower temperatures then a subtle pressing to preserve the attributes of the fruit. After decanting, the must was racked into stainless steel tanks, barrels, and foudres where the alcoholic fermentation takes place. Once fermentation is finished, the wine stays in touch with its fine lees, with periodic stirrings. The wine is aged for 8 months, 52% in French oak barrels (7% first use, 10% second use, 35% third use or older), 20% in French oak foudres, and 28% in stainless steel.

Tasting note

A classic nose of apricots. Honey and white peach on the palate and a generous finish. Varietal, yet fresh.

Food Match

Ideal with cream-based dishes, grilled salmon, or fried swordfish with vegetables.

ABV:
14.00%

Case/Bottle Size:
6x 75cl

Closure:
