Decanter World Wine Awards Bronze 2023

A ripe, versatile and approachable dry white from western Sicily. Catarratto is the most planted white grape here, producing both Marsala and dry white wines. Catarratto thrives in the warmer Sicilian climate, to produce characterful and aromatic whites.

Production

This wine is a blend of fruit sourced from the Marsala area on the west coast of Sicily, and from high altitude hillside vineyards near Alcamo. Gentle pressing, cool, slow fermentation in temperature controlled stainless steel tanks using selected yeasts. The wine was bottled young after a short period of ageing on fine lees in stainless steel.

Tasting note

Ripe stone fruit aromas with hints of barley sugar and a lightly herbal note. Peach and lemon zest characters on the palate, gently honeyed, and finishing with fresh citrus acidity.

Food Match

Ideal as an aperitif or to accompany seafood, grilled fish, salads and cold white meats.
