Luce D'Oro Ribolla Gialla, Vino Spumante NV

IAV093NV

Adria Vini

— Venezie, Italy

A lovely fresh and lightly floral sparkling wine made from the Ribolla Gialla grape of northern Italy.

Production

Produced from 100% Ribolla Gialla grapes. Fermentation is in stainless steel, with a second fermentation in tank followed by 2-3 months on lees.

Tasting note

Ribolla Gialla is well-suited to the production of sparkling wines due to its natural high acidity and ripe stone fruit character. This has a lightly floral and aromatic nose, lightly honeyed on the palate and with a delicious depth and creaminess to the finish.

Food Match

Serve chilled - with appetisers, or perfect on its own too.
