Weingut AJ Adam Hofberg Spätlese, VDP. Grosse Lage 2018

GAJ0192018

Weingut AJ Adam

— Mosel, Germany

A beautifully developed Riesling from the middle of the renowned Hofberg site.

Production

The Riesling grapes are sourced from selected plots of vines (average age 45 years) around the village of Dhron. After picking in mid-October the grapes are gently pressed, then typically around half the wine is vinified in stainless steel and half in Fuder (large, traditional oak casks) - with ageing on lees.

Tasting note

There's fabulous honeyed fruit ripeness, and with five months of lees ageing, the wine has a beautifully creamy, textural quality in the centre. It's a very eye-catching wine, lean, tense and vibrant at first, opening quite exotically in the middle. Bone dry and very focussed but totally calm and approachable.

Food Match

Enjoy sushi or Thai dishes with this wine.
