Production

A blend of Xarel·lo (50%), Macabeu (25%), Parellada (15%) and Chardonnay (10%). After harvesting and first fermentation, the second fermentation takes place in bottle - carried out in the winery's underground cellars which maintain a natural temperature of about 16ºC all year 'round. The wine ages for at least 30 months in bottle, and is then clarified and disgorged (dosage is 3g/l).

Tasting note

Aromas of dried fruit, toast and nuts. Very fine and persistent bubbles on the complex palate with layers of fresh citrus, ripe apple and lightly honeyed notes. It has a fine structure and good length, with pastry and subtle spice characters on the finish.

Food Match

This is a food-friendly style of Cava with plenty of fruit and structure
