This fine and classic, single vineyard, Barolo is a testament to the Colla family's Dardi le Rose site on the slopes of the Bussia hill - one of the best for the production of full-bodied Barolo with the potential to age.

## Production

This very special wine is from a single vineyard called Dardi le Rose, on the hill of Bussia, a historically renowned site for great Barolo. The vines are grown at 300 - 350 metres above sea level, with a southern /southwesterly exposure. The grapes are harvested mid-October. The grapes are destalked and pressed, and the must is macerated on the skins for approx 15 days - it undergoes malolactic fermentation. In the spring the wine matures in casks of Slavonian and French oak, part new, for a period of 24 to 28 months.

## Tasting note

Ripe meaty nose with hints of dried figs, leather, spice and appealing berry aromas. The palate is complex with warm, plummy fruit and a herbal, spicy character.

## Food Match

Perfect with a big veal chop or good buttery egg pasta with shaved black truffle. Also works well with particularly rich fish dishes such as roast turbot.
