# Casalotta Durello Brut, Vino Spumante NV

**IAV017NV**

*Adria Vini*

*— Veneto, Italy*

A lesser-known, yet great alternative to Prosecco - the sparkling wine of choice in Verona bars!

## Production

Production of Durello Spumante is mostly in the hands of a few small growers, traditionally producing bottle fermented wine with up to 6 years on lees. However the variety is also well-suited to the production of fresh, zesty tank method wines such as this - aged for 2-3 months on lees.

## Tasting note

Bright citrus and lightly floral aromas lead to a vibrant palate with refreshing green apple and lightly honeyed characters. An approachable and gently fruity style of fizz.
