2023 Vintage

Decanter World Wine Awards Bronze 2024

We're in Priorat, except we're not really, we're in the minds of the wonderfully talented pair of Anna Molina and Sergi Siuraneta.

Production

Manual harvest with careful selection of only the best fruit, only very gentle pressing used. Fermented in stainless steel with battonage for one month. Only light filtering and clarification utilised.

Tasting note

Serene, peaceful, arid. This is an inredibly calm wine specked with light pithy fruit and alluring textures.

Food Match

Crying out for some Japanese food - sushi, sashimi, tempura; anything rich in umami.
