2020 Vintage

Bodegas Madai

— Bierzo, Spain

Decanter World Wine Awards Silver 2022

Whilst retaining the freshness, vibrancy and minerality of the Mencia grape from this region, this is a real 'step up' in terms of complexity and character.

Production

Madai is the creation of the Amigo brothers, who returned to their native Bierzo to rejuvenate their grandparents' vineyards planted with old vine Mencia (over 80 years of age). The Mencia grapes are fermented and then matured in French oak, on lees, for 12 months before bottling.

Tasting note

Violet and red berry aromas with hints of cocoa and brown spices. Gentle but firm tannins and lightly toasty, spicy notes from time spent in oak are balanced by the dark cherry and bramble fruit, vibrant acidity and pleasing minerality.

Food Match

Pasta dishes with a meat ragù, or rich bean stews with pork or chorizo.
