Bodegas Mano a Mano

— Tierra De Castilla, Spain

A full-flavoured Tempranillo very typical of this region in the heart of Castile. This is a lot of wine for the money, with ripe sweet fruit balanced by spice and structure. Importantly, even though it's from a warm climate, it has a sense of elegance and provides great value for money.

Production

La Mancha's Mano a Mano winery is impressively surrounded by 300 hectares of old Tempranillo (locally known as Cencibel) vines at an altitude of 660m above sea level. The deep,sandy soils produce incredibly low yields here - just 1-2kg per vine. The wine spends 3 months ageing in oak barriques before bottling.

Tasting note

Wild black cherry and light herbal aromas. Pure black fruit on the palate with sweet spice and grippy tannins.

Food Match

Great with roast lamb or spicy sausage casseroles.
