— Utiel Requena, Spain

Wines from Spain Winner 2022

An appealing organic Macabeo from Manuel Olmo's meticulous vineyards in Utiel-Requena - now also available as bag-in-box.

Production

Vineyards are located in the north-west corner of Utiel Requena, 900 metres above sea level. Wines are made from organically grown grapes in vineyards cultivated using natural fertilisers, cover crops, biological control of pests and not using any chemical products that may damage the health of the environment. Grapes are cooled and undergo cold maceration for 12-24 hours and fermentation takes place in temperature controlled stainless steel tanks for 15 days.

Tasting note

Gently floral and lightly tropical aromas lead to a palate with crisp citrus and white peach characters. A gentle and appealing white - well-balanced with fresh acidity.

Food Match

Ideal to accompany pasta, fish, seafood and white meats.
