Ca N'Estruc

— Catalunya, Spain

Wines from Spain Winner 2022

A premium indigenous blend from this historic Catalunyan estate.

Production

The L'Equilibrista wines are produced from a selection of the best parcels from this old Catalan estate. A blend of Syrah, Garnacha and Carinena (called Samsó locally). The individual parcels are fermented separately, then blended. The wine spends 14 months in new French oak barrels.

Tasting note

Bold and complex with cherry and blackberry fruit aromas and touches of coffee and mocha. The palate is a maelstrom of wild cherry and bramble fruit characters, savoury notes, balancing acidity and spicy warmth. Intense, structured and generous with a long finish. Though there are substantial tannins here, with a touch of chewiness, there is plenty of fruit and richness to balance.

Food Match

Enjoy with Cecina - salt cured, air-dried beef typical of the region.
