Cave de Turckheim Edelzwicker Vin d'Alsace, AOP Alsace NV

FAL400NV

Cave de Turckheim

— Alsace, France

The hills are alive with the sound of music!

Production

Pneumatic pressing, temperature-controlled fermentation, no finings and minimal filtration all help to preserve pure varietal character of the wine. Here classic varieties Pinot Blanc and Riesling have been blended with the less well-known Sylvaner grape which brings delicacy and satisfying acidity.

Tasting note

Aromatic and ripe on the nose. This is a delicious and complete white blend with rounded orchard fruit and green apples, plenty of fleshy texture and a racy, refreshing acidity.

Food Match

Brilliant with delicate and aromatic asian salads and fish dishes. If you're feeling the need for some Austrian cuisine, this is great with sauerkraut and a match made in heaven with Tarte Flambée or Flammkuchen.

ABV:
13.00%

Case/Bottle Size:
6x 75cl

Closure:
Cork

Category:
Sustainable

Appellation:
AOP Alsace

Winemaker:
Daniel Gerold
