Château Layauga-Duboscq Classique, AOP Médoc 2018

FBO6052018

Château Layauga-Duboscq

— Bordeaux, France

An approachable Médoc from the owners of Haut-Marbuzet.

Production

Certain of the quality of the soil of a small parcel at the heart of Chteau Layauga in Gaillan to the north of St Estephe, Henri and his sister Anne-Marie become major shareholders in 2006. They added 7 hectares in nearby Queyrac, on the slope of La Hontane, in 2007. The slope has good exposure to sunlight, and limestone-clay soil covered with gravel. Viticulture and winemaking is in the style of Haut-Marbuzet: hand-harvesting, low yields, long-maceration with daily remontage, 50% new French oak.

Tasting note

Classic and nicely maturing Médoc with woodspice and bramble on the nose. Smooth, well balanced and showing some evolution, there is a lovely balance of oak and fruit ripeness to the end.

Food Match

Sunday lunch.
