Maison de Vigneron Rouge, IGP Méditerranée 2024

FHW2012024

Maison Boutinot

— Vaucluse, France

Characterful and generous red from the south of France.

Production

Maison de Vigneron Rouge is made predominantly from a blend of Grenache and Syrah from the vineyards of south-eastern France. Traditional viticulture is used with part manual/part machine harvest. Grapes are cool fermented in vats in order to slow the fermentation process and gain immediate fruit flavours. Maceration last between 5 to 10 days before pressing and deciding on the final blend.

Tasting note

Instant first impressions are of a classic southern French red; friendly and warming, raspberry and damson fruit, typical of Grenache, are sprinkled with the darker fruit and spice of Syrah.

Food Match

Drink with hearty food such as grilled meats and casseroles. Also great with BLTs, pizzas and medium mature, hard cheeses.

ABV:
13.50%

Case/Bottle Size:
6x 75cl

Closure:
Please Select

Appellation:
IGP Méditerranée

Grape Varieties:
Grenache 80%, Syrah 20%
