Les Oliviers Grenache, IGP Pays d'Oc 2024

FPB91682024

Maison Boutinot

— Languedoc, France

A lip-smacking house wine that is great with food.

Production

Grapes grow in the southwest of the Languedoc, where the 40 year-old cordon-trained vines thrive on silt and sand. Grenache grapes are destemmed and macerated at cool temperatures prior to fermentation in order to gain the juicy fruit flavours.

Tasting note

A fresh, pretty and youthful red wine that will mellow as it develops in the bottle. Supple yet with underlying structure, it is quite lifted on the nose with raspberry and floral notes. Packed full of ripe, crunchy red berry fruit backed up with a hint of liquorice and touch of spice. Fresh, elegant and pleasingly simple. Lovely.

Food Match

The perfect match for grilled meat and ratatouille or pasta dishes. Alternatively, top up the glass and enjoy on its own.

ABV:
13.00%

Case/Bottle Size:
