Henners Pinot Gris 2024

EHN0702024

Henners

— East Sussex, Great Britain

Think baskets of orchard fruit, quince and greengage.

Production

Harvested from two sites in Suffolk and Essex, this fruit was carefully hand picked to ensure quality. Whole bunch pressed with 10% of the wine barrel aged in old 225L French oak barrels to help build weight, body and texture. There was also a portion fermented in 225L stainless-steel barrels which are then ‘rolled’ weekly for three months to increase the amount of contact the wine has with its lees, adding weight and texture.

Tasting note

Expect classic Sauvignon aromas with a flinty, mineral edge that adds depth and a refreshing finish.

Food Match

Prefect with grilled artichokes with pork ch

ABV:
12.50%
