Château Lanessan

— Bordeaux, France

Well-balanced, plush Haut-Médoc from a good vintage.

Production

From a total of 32 hectares of 30 year old Cabernet Sauvignon, Merlot and Petit Verdot vines, planted on gravelly soils. After harvest, grapes are manually sorted to ensure optimal maturity. Temperature controlled open fermentation in concrete vats, with extended maceration and regular pumping over.

Tasting note

Drinking beautifully now, this has a classic Médoc cigar box nose, followed by a textured, fleshy, plum fruit and aniseed-scented palate.
