Les Héritiers Saint-Genys En Ruyère, AOP Morgon 2018

FHS0252018

Domaine de Lathevalle

— Beaujolais, France

This famous Beaujolais cru is perhaps the most 'Burgundian' of the Beaujolais vintages. The winery say it has 'the Charm of a Burgundy and the fruit of a Beaujolais'!

Production

Located to the west of the hamlet of Morgon, in the southernmost part of the appellation, the 2.95 hectare vineyard is on a gently sloping hillside, facing south-east, and at an altitude of 350-400 metres. The vines are of average age 50 years, cultivated in very stony soils marked by erosion, which gives the wine the fleshy fruitiness of Burgundy and the rich and fine expression of Burgundy.

Tasting note

With depth and real character, this is quite serious and complex as you might expect from a good Morgon. Still it remains densely fruited and appealing with supple tannins and good ageing potential.

Food Match

Try with Beef Bourgignon or a roasted leg of lamb. Also works with charcuterie and with a semi-soft cheese such as Livarot or a Saint-Marcellin.
