Château de Plaisance Grand Cru, AOP Quarts de Chaume [Organic & Biodynamic] 2016

FPL0062016

Château de Plaisance

— Loire, France

Possibly the greatest wines you'll drink this side (just) of £50! Again this is pre-Vanessa. Even at this ridiculously young age it shows just why Quarts de Chaume, all 42ha of it, is Grand Cru and is regarded in such high esteem. We'll all be dead when it reaches full maturity of course so I'd actually recommend drinking this now or putting it straight into your will.

Production

100% botrytised Chenin aged in barrel for 12 months, only produced in the very best years.
