Domaine Bargemone Classique Rouge, AOP Coteaux d'Aix en Provence [Organic] 2023

FPR0562023

Domaine Bargemone

— Provence, France

Red with the freshness of the Coteaux d'Aix-en-Provence appellation.

Production

Grapes are harvested at night when temperatures are cooler, then the different varieties are vinified separately in thermo-regulated stainless steel tanks to further preserve the fresh, fruit aromas. Daily pumping over helps to extract the beautiful colour and aromatics, with blending taking place in December before bottling in May.

Tasting note

Intense red fruits with notes of cassis on the nose, followed by an immediately fresh and lively palate, with underlying richness, blackcurrants and a certain cool minerality. Fine tannins add a pleasing structure whilst the finish is long and fresh.

Food Match

Charcuterie boards, cheese, barbecue and tapas.
