Cave de Turckheim Tradition Gewurztraminer, AOP Alsace 2023

FAL4452023

Cave de Turckheim

— Alsace, France

Textbook Alsace Gewurztraminer - elegant and harmonious.

Production

Produced traditionally by winemaker Michel Lihrmann - pneumatic pressing, temperature controlled fermentation, no fining and light filtration before bottling - to preserve the fruit, aroma and elegance of the grapes. His philosophy is to make wines with good acidity and fruit balance whilst retaining freshness and harmony.

Tasting note

A fantastic balance of ripeness, varietal character and finesse, with a fragrant rose water and lychee nose, lemon aromas and a slight steely character. The palate is the ideal balance of richness and freshness, with notes of rose petal, honey and faint hints of lemon.

Food Match

Try with blue cheeses, exotic cuisine such as the lemongrass flavours of Thai food or fish/chicken curries featuring ginger, mustard seed and spice.
