Production

The hand picked grapes come from trusted partner growers in Cairanne, with the Roussane plot being only 200 metres from our cellars. Once harvested the grapes are directly pressed and clarified by cold tank. 100% of the clear juice is pumped into 300 and 400 litre oak barrels which are a mixture of new and four year old wood for fermentation. These have been carefully selected to create texture and intensify the natural character of the wine rather than to impose overt fresh oak. The wine is aged in barrel for 6 months before filtration and bottling at Domaine Boutinot.

Tasting note

Fresh aromas of fruit and flower aromatics mingle with the spicy and smokey notes from the barrels. On the palate it feels plump fresh and mineral, with spicy, smokey fruit.

Food Match

A versatile wine. Works as an aperitif, with summer salads and lighter fish and chicken dishes. Equally happy however, being paired with richer poultry and fish dishes that feature roasted fruit or fruit-based sauces.

ABV:
13.50%

Case/Bottle Size:
6x 75cl

Closure:
Cork

Appellation:
AOP Cairanne

Grape Varieties:
Clairette 10% Roussanne 20% Grenache Blanc 70%
