Giornata Barbera, Paso Robles AVA 2020

GIO0012020

Giornata

— California, USA

Briand and Steph Terrizzi combine Italian heritage and wine making expertise to craft unique Italian American wines in the wilds of Paso Robles. A seductive expression of Barbera which combines all the charm of the healthy Paso fruit with the honest Italian interpretation of the Terrizzi family

Production

Filled with zest and juiciness, Barbera satisfies much of northern Italy's thirst for a delicious daily drinker. This wine is sourced from two vineyards - one a 2.5 acre parcel in the hilly new Paso Robles Creston district AVA, and the other in Shandon. The wine was naturally fermented and matured in a 1000 litre Garbellotto cask and some old barrels.

Tasting note

Glowing bright magenta with aromatics of wild strawberries and crushed rocks. The palate is crunchy with vibrant boysenberry and sour cherry with present acidity.

Food Match

It's perfect for pan fried tuna, sashimi and seared summer vegetables.
