Giornata Vermentino, Paso Robles AVA 2023

GIO0252023

Giornata

— California, USA

Small batch Vermentino from sunny Paso Robles.

Production

The grapes are picked early for a cleaner and crisper style. A bladder press without destemming is used and then they cold settle the juice, with 20% left overnight to macerate. The wine naturally goes through malolactic fermentation. Fermentation in stainless steel barrel, Light filtration helps keep the wine fresh.

This wine is Organic though without formal certification.

Tasting note

A nose of melon, lavender, poached pear, key lime and guava, with a palate of lime zest, pineapple, lemongrass, almond and pink grapefruit

Food Match

You can pair with prosciutto and hard cheese, spring vegetables and salsa verde.
