Wild House Pinotage, WO Western Cape 2023

SBO1968X2023

Wildeberg

— Western Cape, South Africa

Wild House is a place of raw energy, a weather-beaten hut exposed to the storm-swept slopes of the mountains where this wine was conceived. From established trellised vineyards on Paarl's deep sandy loams, our Pinotage is a bright, juicy expression of this national cultivar.

Production

All fruit was hand-harvested and gently crushed with a proportion of whole-bunches to bring a leafy freshness to the juice. The juice is naturally fermented in stainless steel tanks and then allowed to undergo malolactic fermentation in 300 & 600 litre barrels. A tiny proportion of Franschhoek Syrah adds a light veil of white spice to the final blend.

Tasting note

A generous nose of ripe plum and cherry rise from the bright ruby-hued wine. A mouthful of generously plum-laden, deep flavours precede a finish that is lifted and layered with a slight lick of toasty supporting oak.

Food Match

Seared tuna, venison, game, roast vegetables or a classic South African bobotie.

ABV:
14.00%

Case/Bottle Size:
6x 75cl

Closure:
Screwcap

Category:
Sustainable

Appellation:
Western Cape

Grape Varieties:
Syrah 4% Pinotage 96%

Suitable for:
Vegan

Allergen Info:
Contains Sulphites and No Other Allergens

Bottle Barcode:
16009881241176
