Giornata Aglianico, Paso Robles AVA 2022

GIO0502022

Giornata

— California, USA

Inspired by Italy, crafted in southern California

Production

The Aglianico goes through a long, cool fermentation and extended maceration of 2-4 weeks, partially carbonic. Native fermentation without wine additions helps keep the wine pure and balanced to best reflect the soil and vintage. Aged in Italian botte, neutral puncheon and stainless steel barrel for the carbonic. They added a bit of Petit Verdot to give the wine a bit more heft.

Tasting note

A noise of blueberry, almond, blue raspberry slushie and tobacco. On the palate there is blueberry, vanilla, berry and spice.

Food Match

Pair with a cheese burger, ribeye or lamb ragu.
