Emiliana

— Wine Of Chile, Chile

Chile does Provence minus the £££'s. Refreshing and delicious predominantly from Emiliana's organic vineyards in Colchagua and Cachapoal valleys.

Production

Adobe is a line of organic reserve wines that reflect the highest quality of the vineyards and a deep respect for the environment and its workers. Everything used to make this organic wine is of natural origin. Grapes are hand harvested. Vinification takes place in stainless steel tanks for 3 months with selected yeasts.

Tasting note

Pale almost Provençale, pink in colour with bright alluring aromas of lemon zest and white flowers. Super fresh and juicy with cranberry fruit and a dry refreshing finish. Delicate and easy to drink.

Food Match

Ideal as an aperitif or with sushi, fresh fish. Perfect picnic wine.
