Shadow Point Pinot Noir, Monterey County AVA 2023

UPB9602023

Boutinot USA

— California, USA

From vineyards in Monterey, California's Central Coast region and sit next to a chain of hills which separate the vineyards from the Pacific coast. The name Shadow Point relates to the shadows which form over the vineyard as the setting sun falls in the west, behind the neighbouring hills.

Production

Fruit is sourced from a vineyard in Monterey, California's Central Coast region and sit next to a chain of hills which separate the vineyards from the Pacific coast. The site benefits from the cooling breezes from the Pacific and as such lends itself to Pinot Noir. Fruit is destemmed before undergoing a period of cold maceration. Fermentation takes place in stainless steel tanks and 30% of the blend has then spent 8 months on medium toast French oak.

Tasting note

This wine combines delicious red cherry and dried cranberry concentration, with a touch of dark spice. The palate has wild bramble and cherry pie notes. It finishes bright, fresh and gently toasty.

Food Match

Pair with nduja topped pizza, crispy duck pancakes in hoisin sauce or Quorn spag-bol.

ABV:
13.00%

Case/Bottle Size:
6x 75cl
