Lo Triolet Fumin, Valle d'Aosta DOC 2019

ILT0082019

Lo Triolet

— Val D'Aosta, Italy

Fumin is indigenous to, and as far as we can see, exclusively grown in Aoste – it's a tough character but if you put me up in the mountains I think I'd also want to be compact and thick skinned.

Production

Aged for 9 months in French barriques

Tasting note

Big, rich, generous velvery style with slightly lower acidity and a very long finish.

Food Match

Slow cooked beef stew
