Wild House

Generous spicy Shiraz, with bright black fruits from the sandy slopes of Paarl.

Gilbert et Gaillard Gold medal 2025

Production

Grapes for this wine were carefully hand-harvested and sorted. Most of the fruit comes from Paarl, but we added a small amount of Franschhoek fruit to the final blend to give it a bit of spice and 'edge'. Naturally fermented in stainless steel tanks, 50% of this blend then undergoes malolactic fermentation in 300 and 600 litre French oak barrels (10% of which are new).

Tasting note

Inviting aromas of ripe black cherry, and a touch of blackcurrant. On the palate, more rich black fruits, smoky notes and a suggestion of dark chocolate and star anise. Youthful acidity and ripe balanced tannins give a fresh finish with depth and complexity.

Food Match

Braai (South African BBQ) is the most obvious choice but this is a really versatile wine that works well with most meats, mushrooms dishes or just on its own.
