Château Lanessan Les Calèches de Lanessan, AOP Haut-Médoc 2016

FGI9222016

Château Lanessan

— Bordeaux, France

A more modern, ripely fruited Haut-Médoc.

Production

Planted on deep Garonne gravel beds twenty years ago, the thirteen hectares of vineyards that produce this wine lie between those of two Cru Classé Saint-Julien estates: Chteau Beychevelle (4ème cru) and Chteau Gruaud Larose (2ème cru). When the grapes reach optimum ripeness they mechanically harvested (for speed) and meticulously sorted, before fermentation in temperature controlled, coated concrete tanks. Winemaker Paz Espejo then employs traditional techniques – pumping over, rack and return – according to the needs of the vintage and of the fruit to make Les Calèches, Chteau Lanessan's second wine.

Tasting note

Intense cassis fruit and new oak on the nose leads to a full-flavoured, ripe palate with smooth tannins and plush vanilla oak finish.

Food Match

A perfect match to rosemary-studded roast leg of lamb.

ABV:
13.50%
