Chavin Zéro Pinot Noir, Vin de France 2024

Maison Chavin

— Vin De France, France

Light and fruity de-alcoholised Pinot Noir.

Production

Made from a selection of Pinot Noir wines that are chosen for the intensity of aromas and freshness. This blend is then gently de-alcoholised through a vacuum distillation process with temperatures never going above 35 degrees to ensure the quality and aromas of the wine are preserved.

Tasting note

Vibrant ruby red in colour, this expressive wine is reminiscent of smokey forest floor, with red berries and cured charcuterie meats. Fine tannins give gentle structure that balances with the bright acidity leading into baking spices on the finish.

Food Match

Pairs well with poultry, mushroom dishes, grilled salmon, vegetable tarts, or soft and creamy cheeses (brie, camembert).
