Online Deal Price £25.50The Tourelles Rose has blood orange and grapefruit flavours but this is getting a bit tired so it is priced with a heavy reduction to clear.

Production

Vineyards are located in the Western Bekaa, and grapes are gown on 15-20 year old vines on sandy limestone soil. 100 % manual harvest takes place. Fermentation with indigenous yeasts in stainless steel tanks for 10 days. The syrah undergoes a short maceration and bleeding (a rosé saignée), while the Cinsault and Tempranillo are direct pressed. No malolactic fermentation takes place. After blending the wine undergoes a gentle clarification.

Tasting note

Pretty pink in colour spice notes and tonnes of strawberry and summer fruits. This is a fuller bodied rosé with warm southern flavours of lush summer fruits with a zesty spicy finish.

Food Match

Spicy antipasti, trout steamed with chilli, Tabbouleh, Baba Ghanoush with olive oil, lemon & garlic, grilled lamb.
