Nachbil Riesling, Dealurile S□tmarului [Organic] 2023

NAC0012023

Nachbil

— Crisana & Maramures, Romania

Enormously appealing zingy Riesling, with mouth-watering acidity, limey fruit and a long complex finish. Great with food, great on its own... what's not to like?

Production

Handpicked dry farmed organically grown grapes with nothing added - fermentation in stainless steel with wild yeasts. After 3 months in the stainless steel tanks the Riesling undergoes minimal fining and light filtration before being bottled and kept a further 4 months before release.

Tasting note

A finely tuned, ripe and expressive Riesling with searing acidity balanced by great fruit concentration and perfectly judged residual sugar. Closest in style perhaps to a Halbtrocken from the Pfalz, this is refreshing yet deeply complex and with a finish that just goes on and on.

Food Match

This wine pairs well with dishes with some heat, think Asian pork belly or spicy Mexican dishes.

ABV:
12.20%

Case/Bottle Size:
6x 75cl

Closure:
Please Select

Category:
Natural/Organic/Sustainable

Appellation:
Dealurile Satmarului
