IAV7802025

Adria Vini

— Puglia, Italy

A generous and characterful wine from the Salento region of Italy - ripe and concentrated from old bush vine fruit

Production

Produced from the local Primitivo variety cultivated in the Salento peninsula of the Puglia region, southern Italy. Grapes were sourced from selected vineyards between 20 and 60 years old and hand harvested in early September. Fermentation took place at 28 to 30C with daily pumping over and 10 days contact with the skins. After malolactic fermentation the wine was bottled without oak aging.

Tasting note

Aromas of bramble fruit, black cherry and a hint of sweet spice. The palate is richly flavoured with plum and wild cherry fruit, a hint of dried figs, and ripe tannins balanced by fresh acidity.
