Bacalhôa Baga, DOC Bairrada Clássico 2021

Bacalhôa

— Bairrada, Portugal

Bacalhà´a's flagship Baga wine - complex and characterful, expressing the terroir of the Bairrada region.

Production

Grapes are sourced from Vinha da Dà´na in Bairrada, with clay-limestone soils and a westerly exposure, suited to the cultivation of the Baga grape. The grapes undergo a cold and long pre-fermentation maceration to extract colour, aroma and flavour. Then following vinifictaion the wine spends 14 months ageing in new 300 litre French and Russian oak barrels.

Tasting note

Intense dark fruit aromas, with star anise, clove and a touch of spicy oak. Complex and rich on the palate with ripe bramble fruit and damson flavours backed by supple, well-structured tannins and a touch of dark chocolate - all lifted by bright acidity.

Food Match

A great match for the local speciality - suckling pig; but works well with many Chinese dishes too such as pork belly, ribs and duck.
