JH Andresen LBV, DOC Porto (Gift Box) 2021

PJH0092021

— Douro, Portugal

More than just a step up from the Ruby style, this is astonishingly good value. It delivers a real wealth of flavour and complexity, yet remaining open, and easy to drink and enjoy now.

Production

Late Bottled Vintage ports are produced from a single year, fortified with grape brandy during fermentation and then aged for an extended period (typically 4-6 years) in large, old oak vats.

Tasting note

Deep ruby colour with pronounced black cherry and berry characters. The palate is bright with dark bramble fruit, and plum alongside notes of spice and mocha, supple tannins and fresh acidity on the long finish. Serve a little cooler than room temperature

Food Match

A classic match for blue cheeses, and dark chocolate and red berry desserts

ABV:
20.00%

Case/Bottle Size:
6x 75cl

Closure:
Please Select

Wine Type:
Fortified, Sweet

Appellation:
Doc Porto
