Genetie 'Illuminé' Pinot Noir, AOP Bourgogne 2020

FPB95632020

Maison Boutinot

— Burgundy, France

2020 Vintage

Decanter World Wine Awards Bronze 2023

The word GENETIE is engraved in the footstone of a pillar that holds up a 16th century house situated at the heart of an estate in Southern Burgundy. Just as that stone represents the foundations of the building, so too does the region of Burgundy represent the beginnings of Boutinot France; the heart of our French winemaking activity for over 30 years. This history is etched into the wines we present, reflecting both the typicity and elegance of the region, and also Boutinot's enthusiasm for creating wines which encapsulate their appellation, according to our tenet: Vignes – Terre - Temps

Production

After numerous tastings, we selected elements from two different growers. This cuvée of Pinot Noir was selected for its purity and elegance. Classic vinification with cuvaison of 6-8 days – neither too little or the wine is weak, nor too much or the wine is too tannic – this is the secret to mastering Pinot Noir and allowing the expression of fruit and finesse. After malolactic fermentation our two elements were blended, and left to rest in the cellar for a couple of months prior to bottling in order to enhance the harmony and create a wine with enough tannins to provide underlying structure and longevity whilst offering some immediate up front fruit.

Tasting note

Refreshing soft berry fruit nose flows into the palate to offer flavours of wild strawberry in spring woodlands. Bright and exciting, this wine is both enticing and elegant, pretty with finesse.

Food Match

This wine will pair beautifully with lean meats, carpaccio or a classic roast chicken. Mild cheeses such as brie would also work really well.

ABV:
13.00%

Case/Bottle Size:
6x 75cl

Closure:
Screwcap

Appellation:
Vin De France

Winemaker:
Samantha Bailey

Grape Varieties:
Pinot Noir 100%

Suitable for:
Vegan

Allergen Info:
Contains Sulphites and No Other Allergens

Bottle Barcode:
13430560012474
