Krohn Lágrima White, DOC Porto NV

PKR088NV

Wiese & Krohn

— Douro, Portugal

Lágrima (meaning 'tears') is the sweetest style of white Port.

Production

The grapes are grown on the schistous soils of the Douro region. Vinification is in closed fermentation tanks, which is interrupted through the addition of grape brandy to preserve a high degree of natural sweetness. The wine is then aged in wood in Wiese & Krohn's cellars in Vila Nova de Gaia.

Tasting note

An intense yet elegant sweet wine with notes of caramel, honey, and nut - all balanced by fresh acidity and leading to a long and appealing finish.

Food Match

Drink chilled as an aperitif, or with fruity desserts. It has been filtered, so won't need decanting - once opened it should 'keep' and be enjoyable for a few weeks.

ABV:
20.00%

Case/Bottle Size:
6x 75cl

Closure:
Cork

Wine Type:
Fortified, Sweet
