Weingut AJ Adam Hofberg Riesling Trocken, VDP. Grosse Lage 2022

GAJ0072022

Weingut AJ Adam

— Mosel, Germany

A delightfully pure and incisive old vine Riesling from a Grand Cru site.

Production

The Riesling grapes are selected from 2-3 parcels within the Dhroner Hofberg. These are 60+ year old vineyards planted on precipitous heavy slate soils far into the valley - where there is more sun to ripen the grapes. The wine is fermented in fuder and kept on fine lees.

Tasting note

Bright lychee and floral aromas give way to piercing linear, lime acidity and pithy mandarin characters. The fuder and lees ageing provides softness and textural appeal, with an incredibly long, focused finish.

Food Match

River fish such as trout, perhaps served with asparagus.
